Approved For Release 2000/08/27 : CIA-RDP76-00183R000400070071-7

4 November 1963

Colonel White:

25X1A9a

██████████ reported, via Office of Director of Logistics, that he has made the modifications to his incentive contracting briefing which you requested and that he will be ready any time after Wednesday, 6 November, to present it to Mr. Kirkpatrick, the Comptroller, and other officials.

Guess it's time to set the date and issue invitations.
